

Women in Technology Leadership Summit

A New Opportunity at UBTech to Support Equality, Diversity and Inclusion

June 4, 2018, 7:30am-12:00pm | The Mirage, Las Vegas

Join the University Business Leadership Institute and a roster of accomplished higher education technology thought leaders in seeking to understand the challenges that women face as they climb the higher ed AV/IT leadership ladder and how to work together to support, motivate, educate and inspire the next wave of influential higher ed technology change agents.

The 4.5 hour program begins with a networking breakfast followed by inspiring keynotes, collaborative roundtable discussions and a lively leaders panel.

Companies interested in supporting this initiative have the option to participate as either a Summit Sponsor or Supporter. Details and benefits for each level of investment are as follows:

Summit Sponsor (3 available) \$12,250

1. Logo recognition in Summit promos and on onsite signage including video screens, and in the UBTech conference app.
2. Podium remarks (up to three minutes) during Summit program.
3. Participation (one seat) on the Women in Technology Leadership Panel program session.
4. Promotional item included on Summit attendee resource table.
5. Ten complimentary UBTech registrations for distribution to clients and VIPs.
6. Attendance privileges at the Summit for up to two team members.

Summit Supporter (10 available) \$3,450

1. Logo recognition in Summit promos and on onsite signage including video screens, and in the UBTech conference app.
2. Promotional item included on Summit attendee resource table.
3. Three complimentary UBTech registrations for distribution to clients and VIPs.
4. Attendance privileges at the Summit for one Supporter team member.

Take part in the inaugural Women in Technology Leadership initiative at UBTech 2018.

Demonstrate corporate support for initiatives to advance gender diversity in technology and showcase your organization's thought leadership on this important issue.
